

TURN OFF & REPORT A LOST/STOLEN CARD

If your card goes missing, there is no need to panic! First tap **“Cards”** at the bottom of our app, swipe to your missing card, and then tap the button next to **“Card is On”** to turn your card off.

Card still missing? While on the **“Cards”** dashboard scroll down until you see the **“Manage Cards”** menu and then tap **“Report Lost or Stolen”**.

Tap **“Call”** to disable your card (if you haven't done so already) and to report your missing card.

Next you will be prompted to call our card customer service line for assistance. Simply tap the number on the screen to make that call.

Calling from our mobile app ensures a smooth and seamless experience. Losing a card can be stressful but with our card management tools you can stay in control.
